

Your One-Stop Motorcycle Aftermarket Parts Supplier

With our comprehensive range of products and efficient supply chain management, CBF is your best choice for quality and affordable custom motorcycle parts for your market.

Tell Your Needs

**CBF MOTORCYCLE GENUINE PARTS
TECHNOLOGY OF JAPAN**

PROSENSE INDUSTRIAL CO., LTD

Since its establishment in 2003, CBF has positioned itself as an industry leader in smart sourcing of replacement motorcycle parts wholesale in China. From efficient sourcing of genuine replacement parts to making custom aftermarket parts, we are constantly improving and seeking innovative ways to meet client demands.

Utilizing our years of industry experience and continuous research and development, we continue to introduce fresh and innovative motorcycle parts to the market. This line has not only increased the value of our brand but also provides our clients with high-quality and affordable parts they can rely on.

Where CBF Does Things Better

Parts Precision Measurement

Through advanced 3D and roundness measurement equipment, we verify the exact dimensional precision of our parts.

Material Analysis

Through top-grade scientific tools, we study any issues caused by materials to ensure optimum performance for our parts.

Parts Collection

All parts are organized by category to facilitate quick analysis and thorough quality inspection.

Deep Expertise

With over 17 years in the industry, Our expansive experience in the business has given us the resources to maintain the consistency of our products while providing innovative motorcycle parts solutions.

Vision

To be the one-stop source in exceptional motorcycle parts and reliable service to the market, while providing clients and dealers the needed leverage to improve their business.

Mission

To deliver unmatched customer experiences through our consistent drive for innovative motorcycle parts, unmatched support, and cost-effective solutions.

A Passionate and Inspirational Team

At the center of our production is our dedicated team of professionals that works with our clients tirelessly to provide world-class motorcycle parts and service. Each member of our team is committed to bringing their expertise and talents to the table to elevate product quality and customer satisfaction.

As the leading supplier of motorcycle parts, we bring you the right parts matching different brands to help you satisfy your growing markets.

○ Responsive Solutions

We provide wide-range customizations and other solutions to ensure wide-scale distribution to different audiences.

○ Comprehensive Training

Our training curriculum is designed to provide technical knowledge and experience handling our parts.

○ Dedicated Technical Support

For smoother business, our experts provide you with our after-sales and technical know-how to draw.

○ Unparalleled Business Growth

Expand your business with our marketing, order placement and showroom design support.

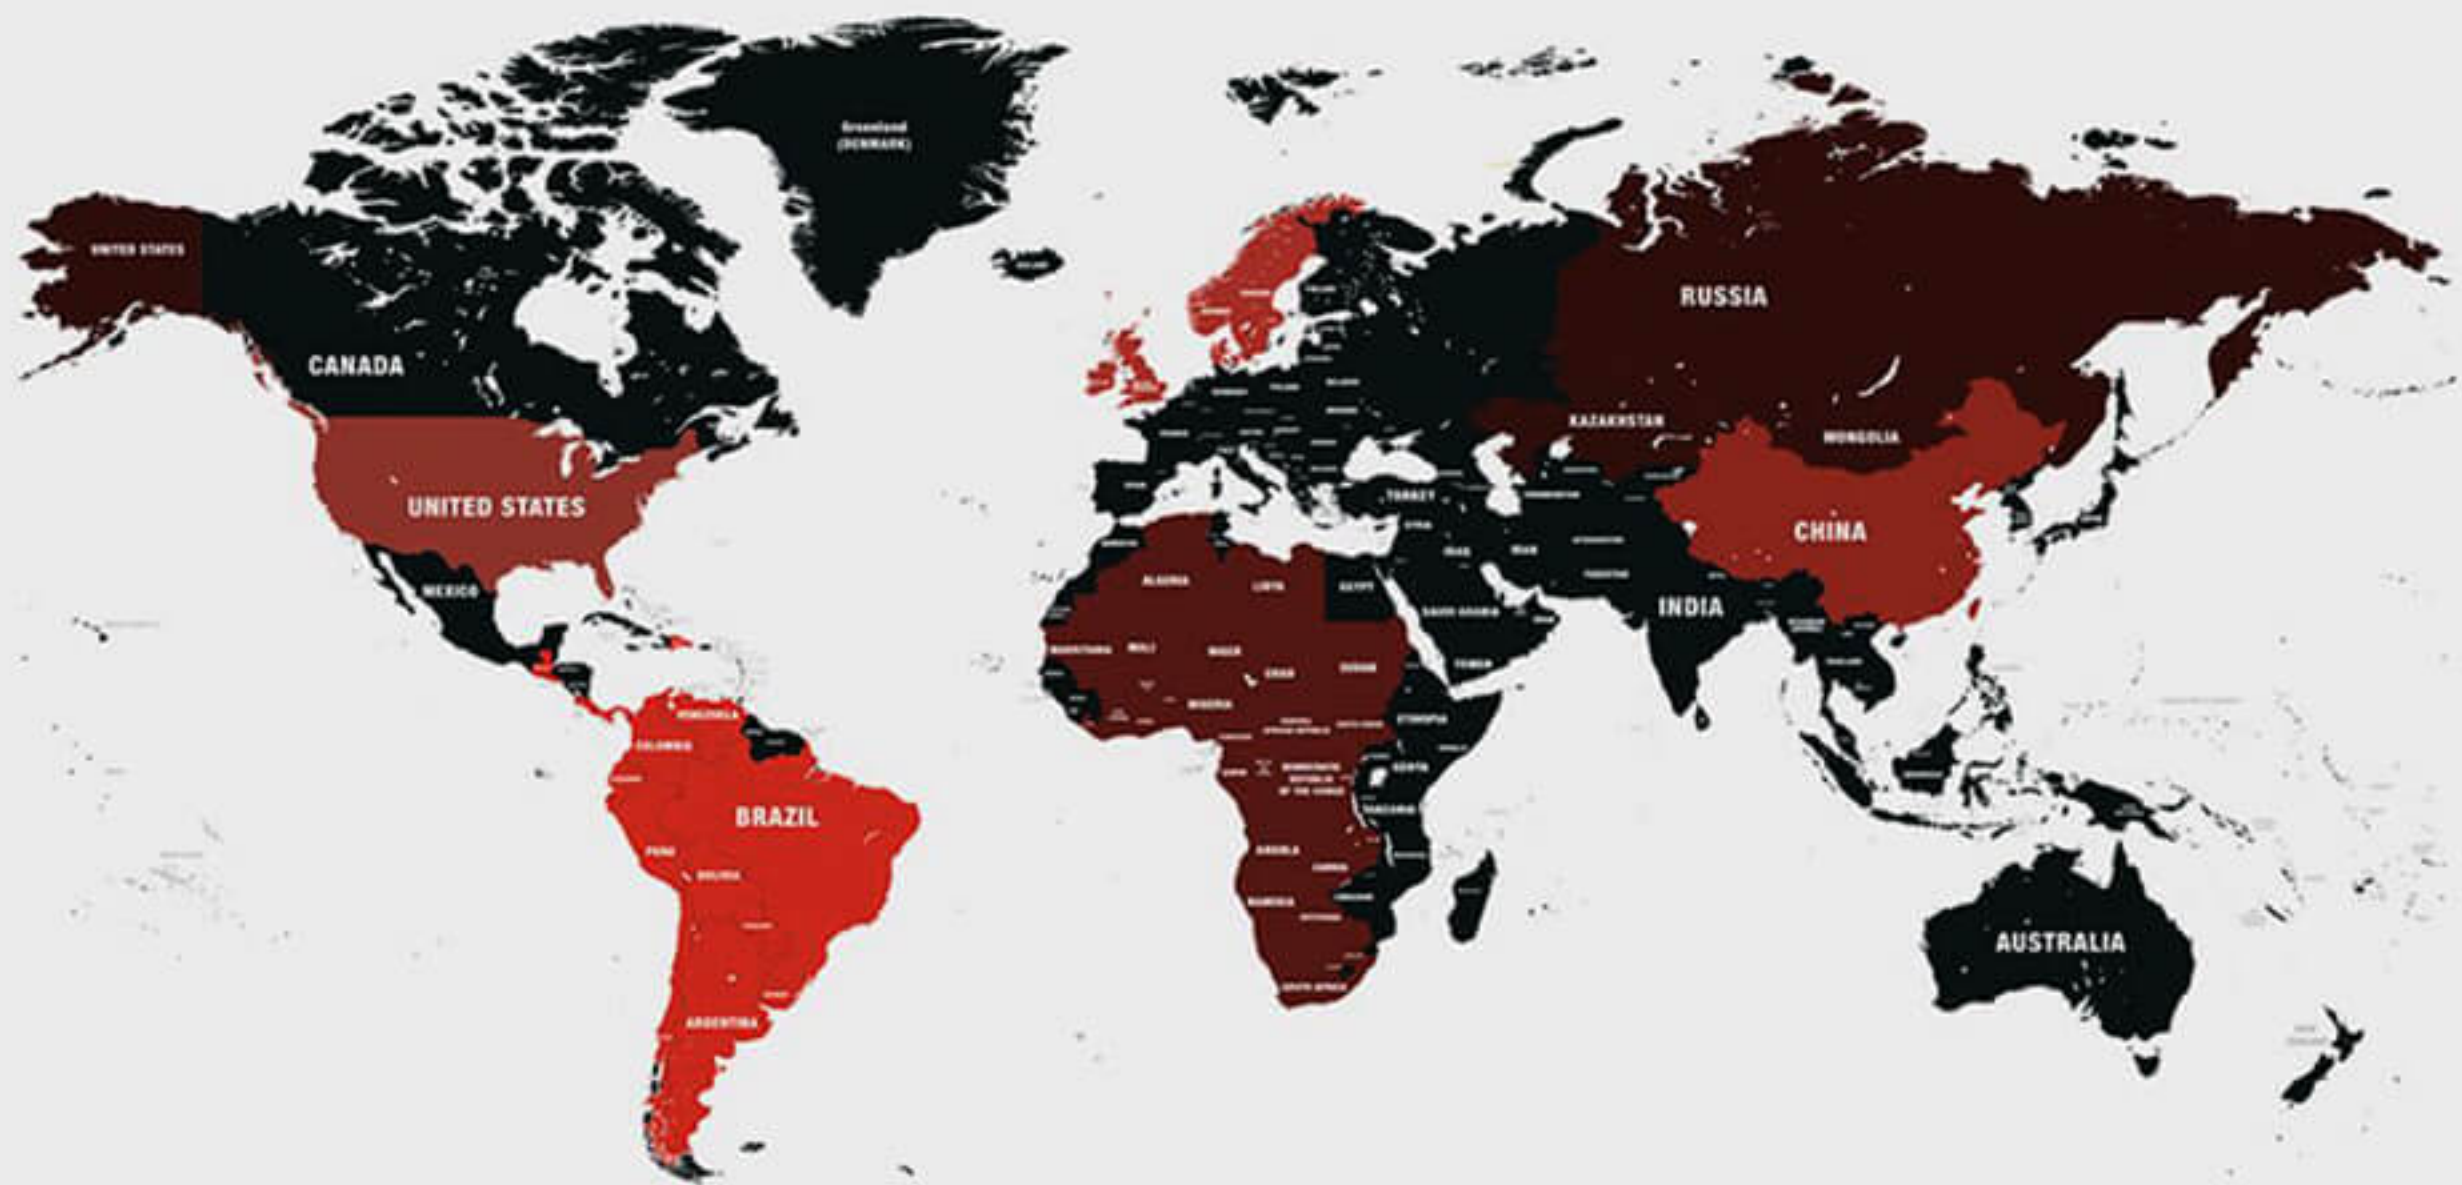

○ Achievement Programs

Our programs qualify dealers to key status that certify them as trusted global distributors.

○ Global Network

We are connected to the most trusted and qualified manufacturers and dealers of motorcycle parts.
